SUSTAINABILITY LEADERS

Pete Pappas & Sons, Inc. is a family-owned and operated agriculture business celebrating its 80th year.

## Environmental Achievements:

- Reduces waste by 90% via a multi-faceted waste diversion program putting 3,000,000 lbs. each year into local organizations for donations, animal feed, compost, and away from landfills.
- Set zero food-waste goal and participates in the national EPA/USDA Food Loss and Waste Champions 2030 program.
- Replaced 60% of its Styrofoam packaging with compostable alternatives and will remove Styrofoam 100% in 2022.
- Engages its employees through regular sustainability and waste-diversion training.
- Maintains USDA Organic certification and packs Pete's Garden Organic brand.
