Re: Response to Waiver Request

Dear Assistant Vice President Zahor,

The Maryland Department of the Environment (“MDE”) has completed its review of UMBC’s waiver request that was submitted on February 24, 2023, as well as the follow-up on March 17, 2023, that addressed MDE questions.

Based upon this review, MDE has granted UMBC a waiver until August 29, 2023, the day prior to the start of UMBC’s fall semester.

Thank you for your cooperation in providing sound and long-term solid waste management practices for UMBC. If you have questions or need additional clarification please do not hesitate to contact me at 410-537-3304 or [tyler.abbott@maryland.gov](mailto:tyler.abbott@maryland.gov) or Mr. Bradley Baker, Manager, Resource Management Program, at 410-537-3314 or [bradley.baker1@maryland.gov](mailto:bradley.baker1@maryland.gov).

Thank you,

A handwritten signature in black ink, appearing to read 'Tyler Abbott', is written over a horizontal line.

Tyler Abbott, Director  
Land and Materials Administration  
Maryland Department of the Environment
