# MDEStat Meeting November 3, 2014 

## Table 1: MDE* Energy Consumption, KW/hr

Note: All percentage reductions reflect comparison to 06/07 baseline. Red text highlights monthly usage numbers that exceeded those from the same month of the previous year.

Goals (reductions from the 06/07 baseline):
$5 \%$ by CY09 $10 \%$ by CY10 15\% by CY15
Deltas shown below are in comparison with $2006 / 7$ baseline.

[^0]:    * The number of employees required to attend training and those who have attended are fluid. Employees come and go and it is impossible to reconcile the numbers without going all the way back to the beginning of the training scheduler and manually verifying attendance against current employees.
