

# McClintock Distilling Waste Diversion

---

BRAEDEN BUMPERS, CO-FOUNDER

[WWW.MCCLINTOCKDISTILLING.COM](http://WWW.MCCLINTOCKDISTILLING.COM)

Distilling is an industry dependent on agriculture

---

# Our Mission

---

# Waste Products with Value

---

Spent Mash

Spent Botanicals

Used Barrels

Water

# Waste Products

Spent Mash **Feed**

Spent Botanicals **Flavoring**

Used Barrels **Beer Collaborations**

Water **Recapture projects**

# Keeping Everything in the Community

Limited transportation of goods

Supporting local multi-generational farmers

Providing Value Added Agriculture demand for farmers looking to transition

Limiting the waste processing of our community

Marketing benefits for the distillery and connections to other businesses with the same mindset
