

FOOD RESCUE US[®]

Washington, DC

**FILL PLATES.
NOT LANDFILLS**

Food Rescue US is a national nonprofit committed to reducing food waste and tackling food insecurity in the US.

Food Rescue US - DC disrupts the cycle of food waste in the DMV by diverting nutritious surplus food to social service agencies directly supporting individuals, families, and communities experiencing food insecurity.

We leverage technology and a widespread network of volunteers to streamline food rescue and distribution, foster strong community connections, and ensure easy accessibility for participants.

OUR IMPACT

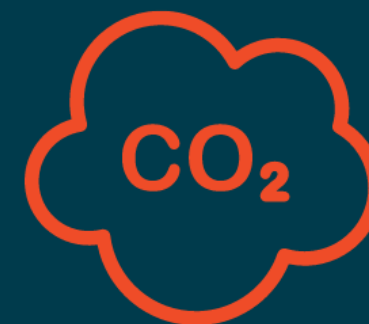

Since our founding in 2016, we have a proven track record of impact.

8.3+
MILLION MEALS
PROVIDED TO
THOSE IN NEED

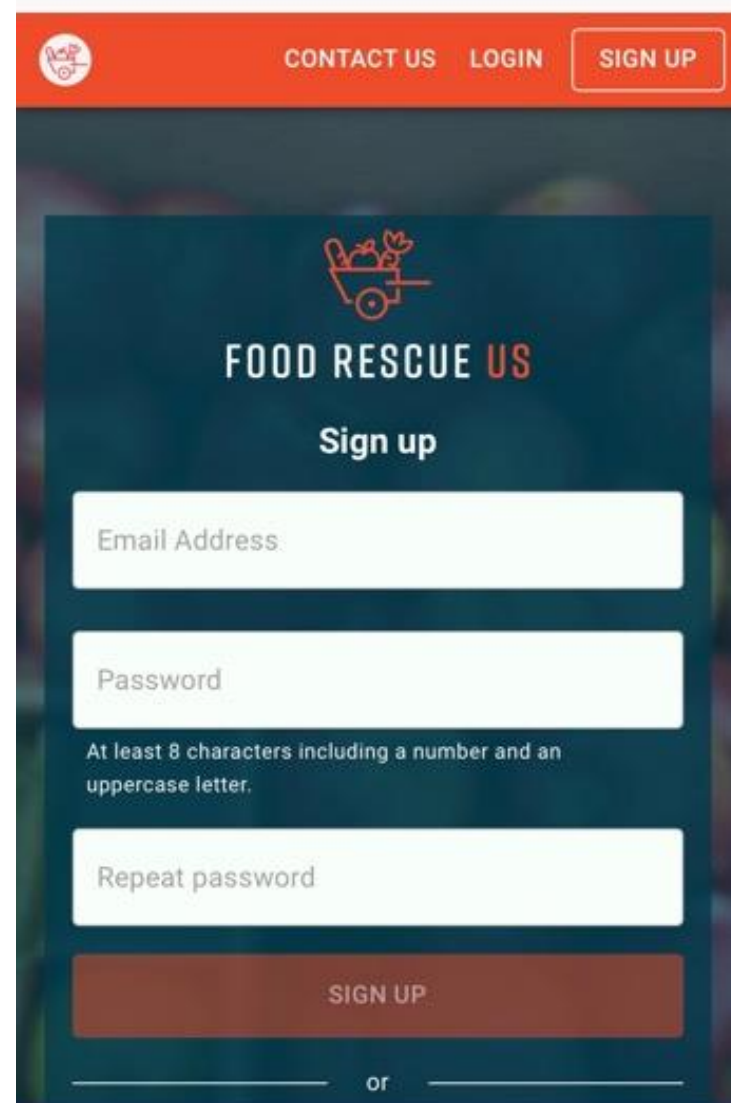

10+
MILLION POUNDS
KEPT FROM LANDFILLS

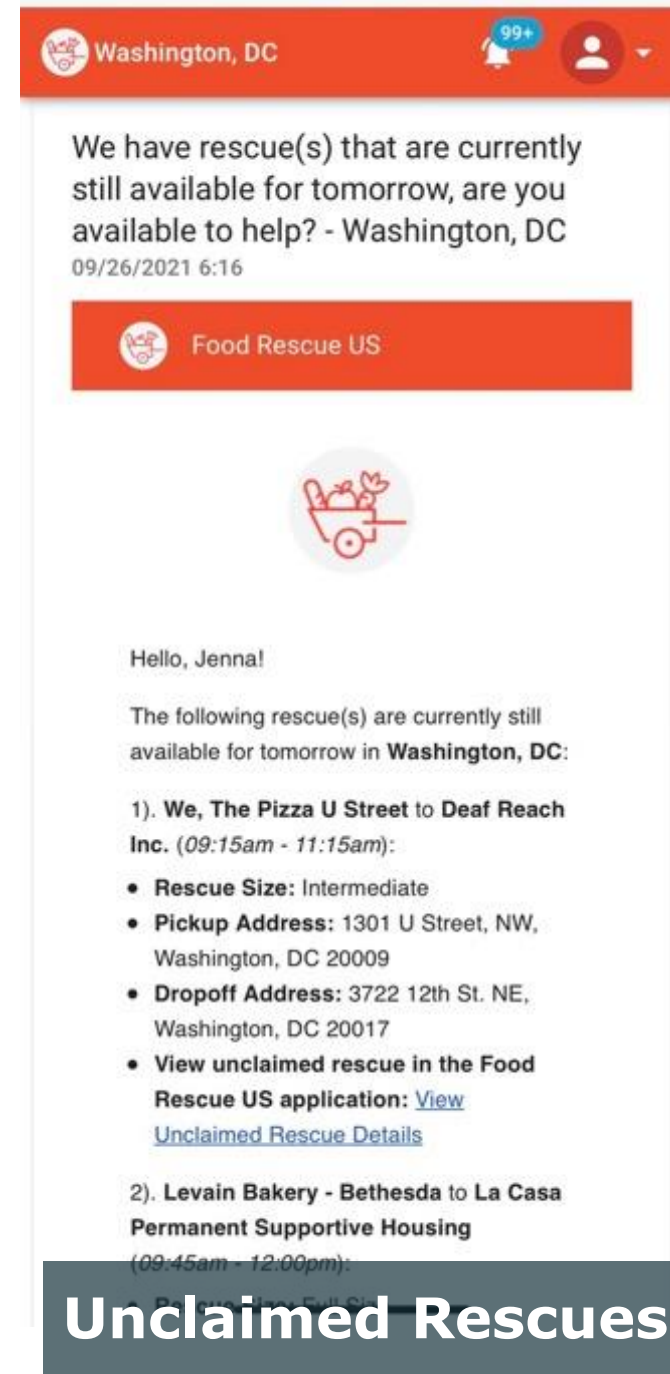

27,360+
TONS OF CO₂EQ
AVOIDED

OUR TECHNOLOGY

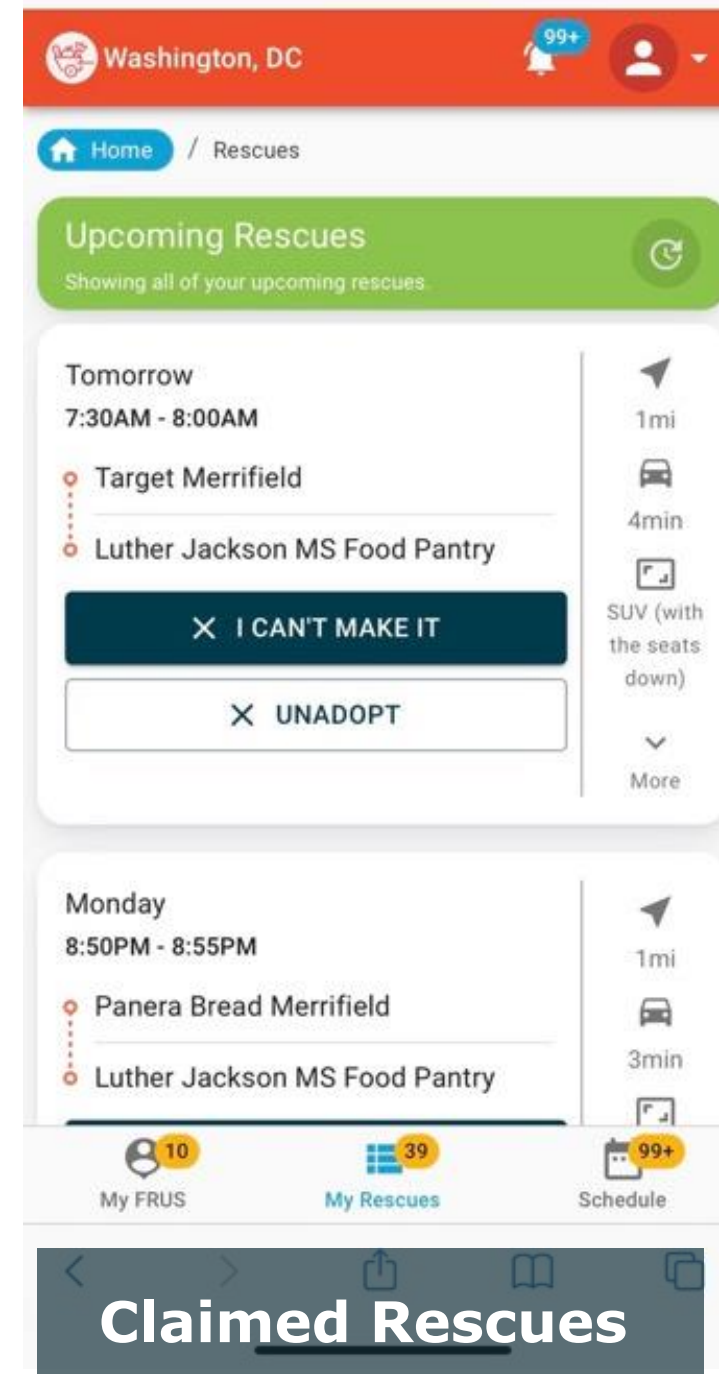

Our proprietary web-based app is integral to our model and is a large part of what makes Food Rescue US scalable and sustainable. Volunteers, food donors, and social service agencies utilize our app to participate in food recovery work across the DMV. Our app is available for license.
