

Bay Restoration Fund Advisory Committee (8/31/05)

1. BAT Work Group Progress
 - a. Determination of eligible funding - unresolved issues
 - i. Should only “third party” certified or verified systems be grant eligible?
 - ii. Should “proven” technologies be eligible under higher schemes of management?
 - iii. Should promising developmental technologies be eligible?
2. Billing - OSDS Progress
 - a. 23 of 24 jurisdictions report a plan for billing
 - i. 8 counties included a bill with the July 1, 2005 tax bill
 - ii. 9 counties will include a bill separately in Nov or Dec 05
 - iii. 3 counties will include with July 1, 2006 tax bill
 - iv. 2 counties will include with the second 2005 tax bill
3. Continuing
 - a. Request for Proposals
 - i. Outsource
 1. To local jurisdictions
 2. Non-profits or academics in cooperation with jurisdictions
 3. Directly to holders of groundwater discharge permits
 - ii. Should property owners not located in a jurisdiction with outsourced funds be eligible?
 - b. Funding eligible activities
 - i. Can a jurisdiction receiving funds be allowed to consider design review and inspection as part of the cost associated with upgrading a system to BAT?
